for Lifelong Learning

ASEM LLL Hub- Advisory Board

- Senior representatives of national ministries and international organisations with central responsibility and expertise in LLL
- Chairman since 2007: Zoltan Loboda, Ministry of Education and Culture, Hungary
- Co-chairman since 2009: Sumate Yamnoon, the Commission on Higher Education, Ministry of Education, Thailand

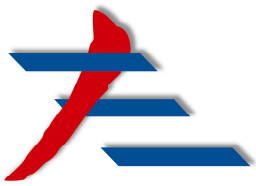

Asia-Europe Meeting

ASEM Education and Research Hub
for Lifelong Learning

Advisory Board

- reinforce the basic principle of applied research in the 5 networks
- review and comment on papers and publications presented by the 5 networks
- provide recommendations, share policy challenges in order to trigger new relevant research.
- disseminate research findings by 5 networks in national context – strengthen the interface between policy making and research.
- facilitate policy learning, review studies in other international organisations relevant to the work of the ASEM LLL Hub (i.e. the EU, UNESCO and the OECD) and discuss how findings can be fed into the work of the Hub and what added-values the Hub can offer.
- support sustainable models to raise funds for research activities of the ASEM LLL Hub.

Asia-Europe Meeting

ASEM Education and Research Hub
for Lifelong Learning

Research-based Policy Recommendations presented 2005-2008

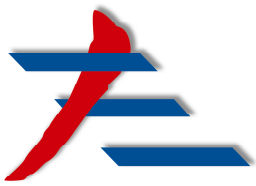

- Conceptualise e-learning and its role in lifelong learning: trends in e-learning standardisation and quality assurance, redefine culture of e-learning in lifelong learning
- View working places as lifelong learning spaces: workplace learning as competence development, learning in, through and for work, role of organisations to create learning opportunities
- Emphasise the need for professionalization of teachers, trainers, guidance and counselling specialists in lifelong learning contexts: their qualifications, competences and roles to assure quality of lifelong learning
- Examine lifelong learning policies and practices in the framework of national socio-economic development
