

The species called the Educational Technologist

*Theory vs. Practice*

The Plumber nay the Technologist

*Real issues, dirty hands, instant fixes*

## Our Karma Kshetra – the canvas of Teacher Education

*The fortunate 50s*

*The audacious 80s*

*The Right to Education*

The Challenge: a school for every child

*A teacher for every class*

# MOOC vs. MOOC

*The Coursera Model vs. The NROER Model*

## The Network:

*Teachers, schools and interest groups*

## The Courses and The Events Platform

*Everyone in the centre – translation and adaptations*

*Teacher as a mentor*

*Across the cascade*
